

Invest in a more Sustainable Pittsburgh.

HERE'S HOW: The strategic initiatives below are designed to accelerate sustainability for the region. Please be part of the progress by providing financial support as described on the reverse side.

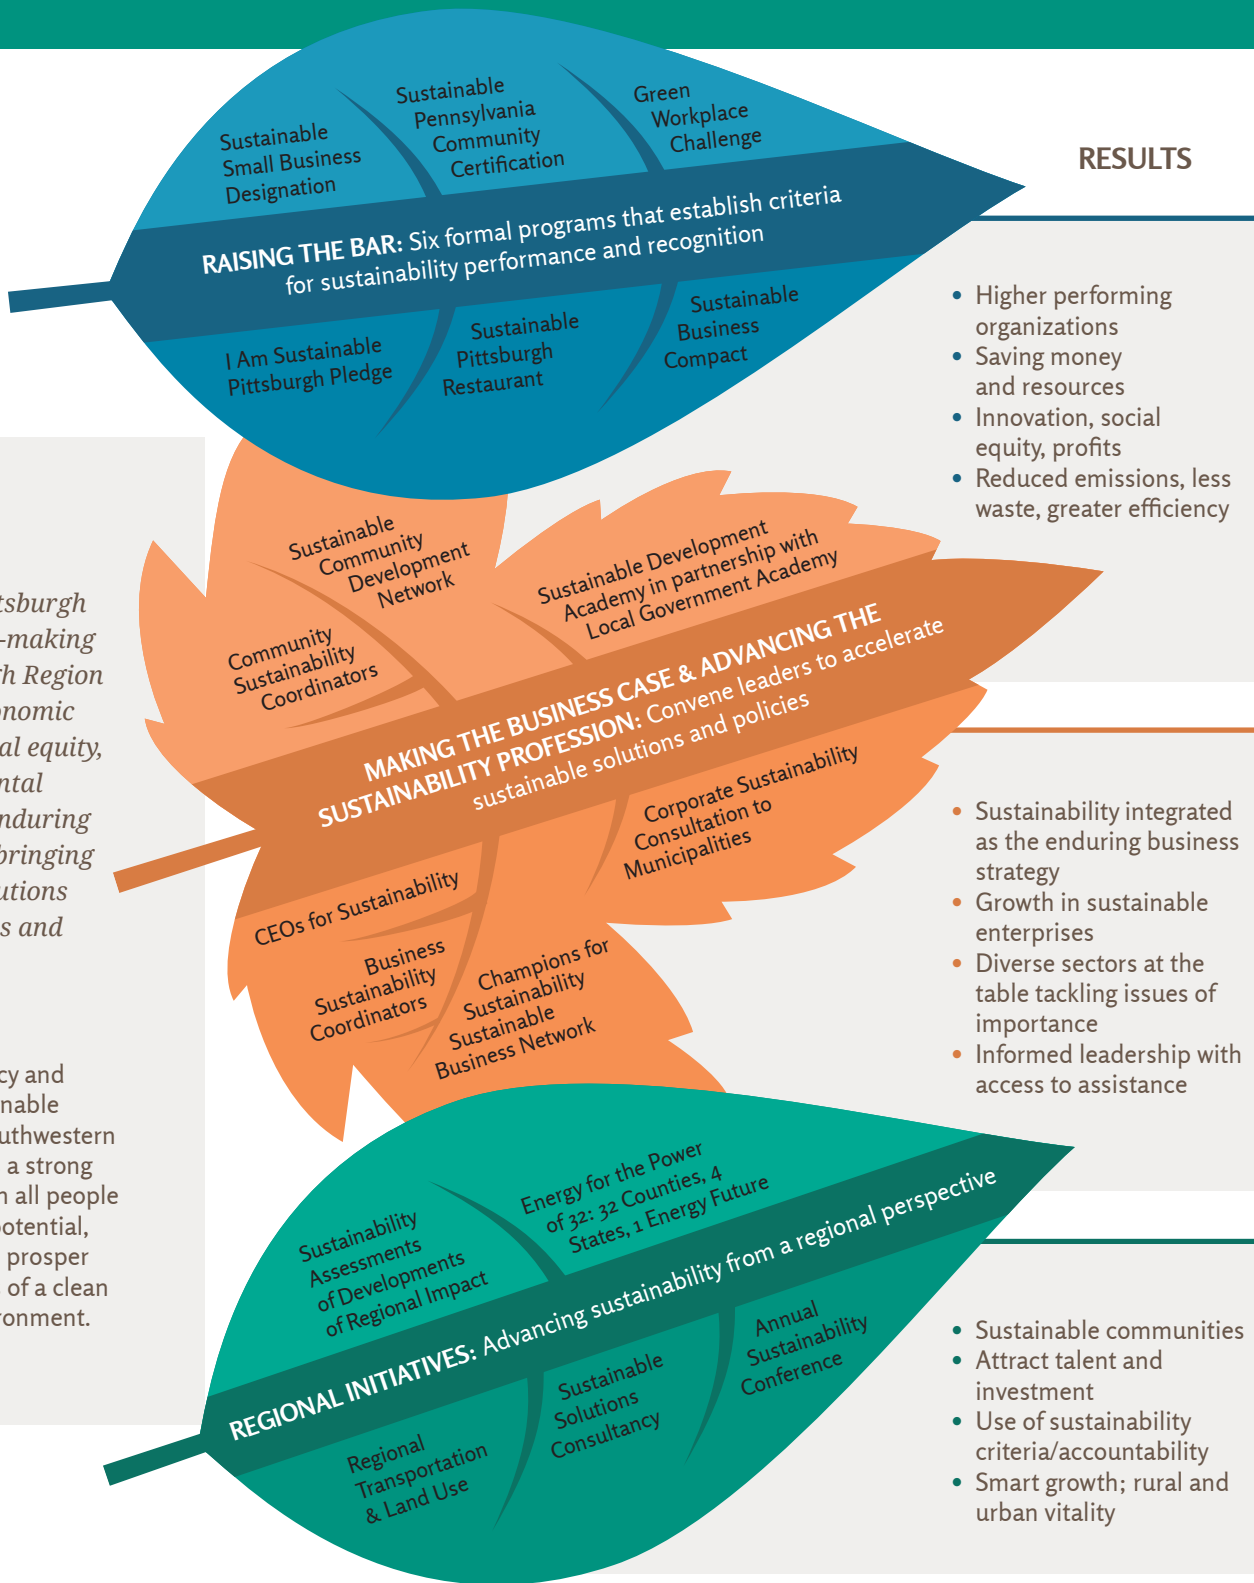

OUR MISSION

Sustainable Pittsburgh affects decision-making in the Pittsburgh Region to integrate economic prosperity, social equity, and environmental quality as the enduring accountability bringing sustainable solutions for communities and businesses.

OUR VISION

Through the policy and practice of sustainable development, Southwestern Pennsylvania has a strong economy in which all people can live to their potential, are engaged, and prosper within the means of a clean and healthy environment.
