

# Straw Bale Construction & Earth Plastering Workshop

May 14-16, 2010, Camp Lutherlyn, Prospect, PA

## Workshop:

This three-day workshop is for people who want to learn the basic design and construction skills necessary for Straw Bale construction and Earth Plastering. The workshop will include tours of two straw bale homes, hands-on learning, group instruction, and plenty of time for questions and answers.

## Site:

The workshop is taking place on the grounds of beautiful Camp Lutherlyn in Prospect, PA. The first straw bale residence in PA was built here in 1996.

**Cost:** \$130

Fee includes workshop, lodging in one of Lutherlyn's cabins, 5 delicious meals, snacks, and field trip. Cabins have single beds and two bathrooms with showers.
